Guidelines:

The shadowing experience is required prior to applying to the NKU Nurse Anesthesia Program. Please complete this form and send it with your application materials to the Office of Graduate Education at [graduate@nku.edu](mailto:graduate@nku.edu)

Applicants are required to shadow with either a CRNA or an anesthesiologist to gain an understanding of the nurse anesthesia role through both observation and discussion. Shadowing a CRNA is preferred to learn the role. Applicants are responsible for arranging their own shadow experience and ensuring that the anesthesia provider completes the Shadowing Form.

Briefly describe your experience and your understanding of the role of the CRNA:
