

INSTRUCTIONS

Complete a minimum of 120 hours of direct clinical supervision of nursing students in your certification specialty. CNSs and NPs must precept advanced practice nurses (CNS, NP, CNM, or CRNA) to fulfill this category. Please review the Certification Renewal Requirements at www.nursecredentialing.org/RenewalRequirements.aspx for descriptions of preceptor hours accepted. Keep this form with your records. You will need to submit it if you are selected for audit.

Return this form by mail to:

American Nurses Credentialing Center
Attn: Certification Registration
